Type and length of interim order: The Fitness to Practise Committee determined to make an interim order of conditional registration from 9 August 2023 for a period of 18 months.

The Fitness to practise Committee reviewed the current IO conditions on 18 January 2024 and determined to change it to an interim suspension order.

The suspension order was reviewed and maintained on 25 March 2024.

The Committee notes that the substantive hearing in this matter is listed before the next six-monthly review is due and therefore makes no order for a further review. However, if the substantive hearing is not completed then a further review will need to be listed within 6 months from today.
