For information

Issue:

This paper sets out to update the Council on matters arising from the previous meeting.

The Council was expected to receive, at its September meeting, full proposals on what information is to be made available to the public on the outcomes of accreditation visits.

Recommendation(s):

The Council is asked to note the proposals will now be submitted to the Council meeting on 18 November 2009, following the Education Committee's consideration of these proposals at its meeting on 1 October 2009.
