

Contract Notice for a Scheme Administrator for GOC Continuing Education and Training (CET) Scheme

As the UK regulator for optometrists and dispensing opticians, we operate a statutory CET scheme. This ensures registrants maintain the up to date skills and knowledge needed to practise safely and effectively throughout their career.

We will shortly be tendering to appoint an organisation as Scheme Administrator to support CET from 2013. Full details about us and our CET scheme can be found at **www.optical.org**

Expressions of Interest are invited from suitable organisations by 31 October 2011. A more detailed information pack will then be provided to interested parties with formal proposals to be submitted by 20 January 2012.
