Committee Membership 2009

Purpose:

Council is asked to note the process followed to date to identify member preference for committee membership from 1 April 2009.

Summary:

In July 2008 the Council agreed the membership of the committees for the period 1 January – 31 March 2009, recognising that March Council will need to reassess committee membership in light of the appointments made to the new Council.

For the purpose of planning for various eventualities, Members were surveyed for an indication of their preferences for which statutory committees they might wish to sit on from 1 April 2009. Most Members' preferences have now been received and will be kept on file until the new Council appointments have been made.
