**Type and length of interim order:** The Fitness to Practise Committee imposed an interim order of suspension on 8 March 2018 for a period of 18 months. In February 2019, the order was replaced with an interim order of conditions. On 5 August 2019, the Committee determined to continue the interim order of conditional registration. On 31 October 2019 the Committee continued the conditions with variations.

The order will be further reviewed within 6 months from today unless all matters are resolved within that time, or earlier should new evidence be made available, or if the registrant, at any time after three months from today's date, requests an early review.

You must:

1. Maintain a workplace supervisor who is prepared to monitor your compliance with paragraph numbers 3.7, 3.8 and 6 of these conditions.

8. At least every three months or upon request of the GOC, request a written report from your supervisor to be provided to the GOC, detailing:
  - (a) how you have complied with the conditions he/she is monitoring, and
