PRIVATE HEARING

Name of Registrant: Azida Ali
Registration number: 01-20208
Professional status: Optometrist

Type and length of interim order:
The Fitness to Practise Committee determined to vary the current interim order of suspension to an order of conditional registration.

The list of public conditions imposed are as follows:

1. The GOC will enter these conditions against your name in the register save any conditions that relate to your health. You must allow the Registrar to share these conditions information, with an employer, supervisor, professional colleague or any organisation for which you provide ophthalmic services for the duration of your conditional registration.

2. You must notify the Registrar within 14 days of commencement of any professional appointment you accept whilst you are subject to these conditions and provide contact details of your employer and if providing NHS ophthalmic services, the NHS Body on whose ophthalmic performer or contractor list you will be included.

3. You must inform the Registrar:
   a) If you cease working;
   b) If your work takes you out of the UK for a significant period of time; or
   c) Of any employment you apply for outside of the UK (and in which countries) as conditions of registration only apply to practice undertaken in the UK (you must consider whether your time out of work or out of the UK will allow you to fulfil the conditions during the period of conditional registration). The Registrar may inform the relevant competent authorities in that country of your current conditions of UK registration.

If you require any further information, please contact the Council’s Hearings Manager at 10 Old Bailey, London, EC4M 7NG or, by telephone, on 020 7580 3453
4. You must continue to fulfil the CET requirements under the GOC CET scheme to secure appropriate points for continued inclusion on the GOC register.

5. You must inform the following parties that your registration is subject to conditional registration:
   a) any organisation or person employing or contracting with you to undertake ophthalmic services (to include any locum agency);
   b) Any prospective employer seeking to employ you to undertake ophthalmic services (whether within the UK or the EC);
   c) Chairman of the Local Optometric Committee;
   d) The NHS Body in whose ophthalmic performer or contractor list you are included on or are seeking inclusion on.

6. You must ensure that your GOC registration is renewed by 15 March annually while you are subject to GOC FTP conditional registration procedures. Should you fail to renew your registration a review hearing will be arranged immediately.
