

COUNCIL

Council's Standing Orders

Meeting: 11 July 2018

Status: for decision

Lead responsibility: Nicola Ebdon (Head of Governance)

Paper author: Lisa Harmshaw (Governance Manager)

Purpose

1. To seek approval of revisions to Council's Standing Orders ('SO's).

Recommendations

2. Council are asked to:
 - 2.1. **approve** the revised SO's (**annex one**) which will revoke the previous SO's with immediate effect;
 - 2.2. **agree** that the Council meeting protocol becomes an internal document used to support induction and that future versions are approved by the Interim Chief Executive and Registrar; and
 - 2.3. **agree** that a provision (to enable committees to hold their meetings via electronic means) be kept in the SO on a temporary basis until all committees have approved TOR.

Strategic objective

3. This work is required to ensure the GOC had an appropriate governance framework in place.

Risks

5. There are governance risks (including reputational) associated with failing to adequately articulate and follow Council's procedures for meetings and decision making. This risk is low and is mitigated by undertaking this work.
6. There is a risk that if the revised SOs are approved before the outstanding committee terms of reference (TOR) are approved - the ability of these committees to meet other than in person would be restricted. This risk is mitigated by including a temporary provision in the revised SO's.

Background

7. The Opticians Act 1989 ("the Act") gives Council the power to regulate its own procedures by SO's subject to compliance with the Act or Rules. Council's SO's were last fully reviewed in 2009. Minor amendments were made in 2013 and early 2017.

8. SO's are written rules which set out how Council's meetings are conducted and how decisions are taken. They remain in effect until Council decides to suspend, change or revoke them. They differ from terms of reference (TOR) which instead focus on defining the specific tasks a particular committee/group has been charged with along with any delegated authority.
9. In preparing these Standing Orders the following have been reviewed:
 - 9.1 SO's of the General Osteopathic Council (GOsC), General Pharmaceutical Council (GPhC), General Dental Council (GDC), Nursing and Midwifery Council (NMC) and the Charity Commission;
 - 9.2 [Charity Commission guidance on decision making](#);
 - 9.3 [Opticians Act 1989](#) (inc. [Schedule one to the Act](#));
 - 9.4 [General Optical Council \(Constitution Order\) 2009](#); and
 - 9.5 [GOC Council meeting protocol](#).
10. The review of the SO's has resulted in clarification of what SO's should and should not be used for:

✓	x
<ul style="list-style-type: none"> • process used for decision making (inc. urgent decisions, decisions via email and voting) • how meetings are arranged • participation and debate (inc. the role played by the chair) • agenda planning and provision of papers • transparency and publication of papers • rules for attendees and observers • how decisions are recorded • procedures for disapplying or suspending SO's • ability to establish committees and/or working groups 	<ul style="list-style-type: none"> • performance, development and appraisal • TOR issues • management of interests • removal and suspension of members • external representation arrangements • appointment of advisers and contractors • detailed delegation of authority

11. The Council meeting protocol (November 2015) was prepared quickly, following a request from Council, to provide guidance for employees and members attending meetings. It includes processes for preparation and governance of Council meetings which are more suited in the SO's. In approving the protocol Council was clear the SO's needed reviewing to ensure consistency, but this review should wait until other urgent governance documents were established, including proper TOR for all committees.

Analysis

12. The proposed changes thoroughly modernise the SO's, reflecting how Council operates now and is likely to in the future. Therefore we have not included a comparison with the [current version](#). As a result of the review we have:
 - 12.1 clarified the types of Council meetings, how they are planned and how papers are provided;
 - 12.2 explained our commitment to transparency, how we determine what is considered in public/private and the publication of papers and minutes;
 - 12.3 set out expectations in relation to attendance, permissions to speak, participation and debate;
 - 12.4 clarified how Council makes its decisions, including the process used for calling special meetings, voting and making decisions via email; and
 - 12.5 modernised the language used (for example 'resolution' has been replaced by 'decision').
13. Continuing improvements to our governance arrangements have meant the following areas previously included in the SO's have been removed:
 - 13.1 external representation and fees – gifts and hospitality policy;
 - 13.2 education and training for Council members – member development plan;
 - 13.3 suspension and removal of Council members – appointments process; and
 - 13.4 proceedings for committees – committee TOR.

Council meeting protocol

14. It is clear many aspects within the Council meeting protocol are better suited in the SO's. Therefore we have removed content from the protocol and recommend what remains would be better used as an induction/development tool for anyone preparing to attend/present at meetings. We recommend the protocol is removed from the GOC website once the revised SO's are approved, redesigned as an internal document to support induction and that approval is delegated to the Interim Chief Executive and Registrar going forward.

Participation and debate (part three of the SO's)

15. It is normal practice for SO's to make clear the rules for participation and debate. It is also the case that this information would fit well into a Code of Conduct. Our work to develop a Code of Conduct was put on hold in 2017/18 by the Chief Executive and Registrar who wished, as part of their organisational transformation plans, to review the Values of the GOC. To date, this work has not progressed and therefore we suggest that these points remain in the SO's until the Code of Conduct has been reviewed.

Committees (part four of the SO's)

16. Council's current SO's provide for committees to hold their meetings via electronic means (i.e. ..."*a physical meeting, a video conference, an internet video facility or similar electronic method allowing simultaneous visual and*

audio participation, or telephone conferencing”). This provision is included in the TOR for some committees, however there has been a delay in agreeing TOR for the Education and Investigation committees so these committees currently rely on the SO’s to operate in this manner. Work to develop these TOR is ongoing and it is the intention to retain this provision in Council’s SO’s until the relevant TOR have been approved.

Committees and working groups (part five of the SO’s)

17. The GOC currently has a number of working groups to assist in moving forward project work (for example the CET Stakeholder Reference Group). Their purpose is to normally provide advice to the Executive on specific issues. It is normal practice for such groups to have their own TOR and for their governance arrangements to be referenced in the SO’s. A framework has been included in the SO which provides for sufficient flexibility for these non-decision making groups.

Impacts

18. All relevant legislation, Rules and best practice have been reviewed. There are no implications for resources, equality, diversity, inclusion, the Human Rights Act or sustainability. No implications/differences in relation to this area and the devolved nations have been identified.

Timeline for future work

19. Terms of reference are being developed for the Education committee and Investigation committee. It is currently anticipated that these will be brought to Council for approval in November 2018, at which time SO4.3 – 4.5 will be revoked.

PART 1: Introduction

- 1.1 The General Optical Council (GOC) is a statutory body corporate set up under the Opticians Act 1989 (“[the Act](#)”). It is also a charity, [registered with the Charity Commission in England and Wales](#). As a result [Council members](#) are also [Trustees](#).
- 1.2 The Act gives [Council](#) the power to regulate its own procedures by Standing Orders (SO’s) subject to compliance with the Act or [Rules](#) made under the Act. These SO’s are made by the Council and contain the procedures by which Council conducts its business. These SO’s come into force as of 11 July 2018 following which all previous SO’s of the GOC will be revoked.

PART 2: Meetings

Frequency and notice of ordinary meetings

- 2.1 [Ordinary meetings](#) take place at least four times a [year](#) on dates agreed by the [Chair](#) and [Chief Executive and Registrar](#).
- 2.2 Ordinary meetings are scheduled in advance. Dates are shared with Council members and are published on the GOC website.

Frequency and notice of special meetings

- 2.3 [Special meetings](#) will only be called if an item of business would expose the GOC to an unacceptable level of risk or an inability to discharge its statutory functions in a timely manner if a decision is not taken until the next ordinary meeting.
- 2.4 Special meetings can be requested by:
 - 2.4.1. Council at a [quorate meeting](#); or
 - 2.4.2. the [Chair](#), the [Senior Council Member](#) or the [Chief Executive and Registrar](#).
- 2.5 Special meetings will be held as soon as is reasonably practicable. Where it is not possible to convene a quorate special meeting, provisions for making [decisions via email](#) are provided for in these SO’s.

Other meetings of Council

- 2.6 Council also meets during the year to consider the performance of the GOC, of Council, for strategic planning and for development. Additionally, Council will meet annually with the Senior Council member at a [strictly confidential meeting](#) without the Chair present to consider the Chair’s performance. All Council members are expected to attend (in person) and contribute to these meetings.
- 2.7 Any meeting undertaken for the purposes outlined in [SO2.6](#) does not require a [quorum](#), is not minuted and cannot be used for decision-making purposes.

Agenda planning and provision of papers

- 2.8 A forward plan of agenda items for ordinary meetings, linked to the GOC’s [business and strategic plans](#) is presented to Council at each public meeting and published on the GOC website as part of the Council papers.

- 2.9 Where a Council member requires an item to be discussed at a [meeting](#), they should make their request in [writing](#) to the Chair not less than ten [working days](#) before the meeting. Inclusion of the item on the agenda is at the discretion of the Chair.
- 2.10 The agenda and papers will usually be [sent](#) to Council members not less than five working days before an ordinary meeting and three working days before a special meeting.
- 2.11 The non-receipt of the agenda and/or supporting papers for a meeting by any member will not invalidate the meeting or any business transacted at the meeting.

Transparency of proceedings and publication of papers

- 2.12 Council is committed to open and transparent governance. All Council business will be conducted in a [public meeting](#) unless one or more of the following applies:
- 2.12.1. any personal matter concerning a present or former registrant or application for registration, employee, Council member, [committee member](#), [education visitor or advisor](#);
 - 2.12.2. any matter which is deemed commercially sensitive, subject to legal professional privilege or relevant to the prevention or detection of crime and the prosecution of offenders;
 - 2.12.3. any information given to the GOC in confidence;
 - 2.12.4. risk of a financial or political nature (either to the GOC or others) where discussion in public would exacerbate the risk; and
 - 2.12.5. any other matter which is deemed by the Chair and Chief Executive and Registrar to require discussion in a strictly confidential meeting.
- 2.13 The agenda and papers for a public meeting will usually be [published on the GOC website](#) four [working days](#) before the meeting. Failure to publish the agenda and/or papers of a public meeting will not invalidate the proceedings of the meeting.
- 2.14 The agenda, papers and minutes from [strictly confidential meetings](#) will not be published on the GOC website, unless agreed by the Chair.
- 2.15 Although highly unlikely, if a situation occurred during a [public meeting](#) where the attendance of [observers](#) would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted or for any other specified reason, the [Chair](#) may exclude observers from a meeting either in whole or in part.

Attendance at meetings

- 2.16 All Council members have a duty to attend [ordinary meetings](#) in person and contribute effectively until the Chair closes the meeting. Only in exceptional circumstances (with the agreement of the Chair) will a Council member be permitted to participate in an ordinary meeting via [electronic means](#).
- 2.17 Attendance at [special meetings](#) of Council are permitted via [electronic means](#) without the agreement of the Chair.

- 2.18 Council members unable to attend a [meeting](#) must notify the Chair and Governance Manager as early as possible, providing an explanation for non-attendance which will be recorded for reporting purposes. Amongst other things, Members' reappointment is conditional upon satisfactory attendance levels.
- 2.19 The following employees are permitted to attend and speak at all meetings unless there is a direct or perceived conflict of interest:
- 2.19.1. Chief Executive and Registrar;
 - 2.19.2. [Directors](#); and
 - 2.19.3. Head of Governance (or another member of the Governance Team in their absence).
- 2.20 Other employees, [committee members](#), [advisors and contractors](#) may be invited, at the discretion of the Chair to attend, speak and/or present on specific items.

Observers

- 2.21 [Observers](#) can attend [public meetings](#), but are not allowed to participate in discussion, unless requested to do so by the Chair.
- 2.22 The Chair reserves the right to remove an observer from a meeting (or any part thereof) or adjourn the meeting for such time as the Chair considers appropriate if in their opinion they are frustrating the business of the meeting or are in contravention of [S03.7](#).

Record of proceedings

- 2.23 The Governance Team is responsible for taking the minutes of meetings which will usually be provided to the Chair, within 15 [working days](#) of the meeting.
- 2.24 Once approved by the Chair, the draft minutes will be circulated to Council members for comment. Proposed amendments should be brought to the attention of the Governance Team as soon as possible and no later than the meeting at which the minutes are approved.
- 2.25 Once approved by Council, the minutes will be signed by the Chair of the meeting. Approved minutes of any public meeting of Council will be published on the GOC website.

PART 3: Decision making by Council

Quorum

- 3.1 In accordance with paragraph 11 of the [Constitution Order](#), the [quorum](#) for a Council meeting is seven Council members.
- 3.2 If a quorum is not present within 30 minutes of the scheduled start time of the meeting, all business for consideration at the meeting shall be carried forward to the next meeting.

- 3.3 If a meeting becomes inquorate the Chair will adjourn any decisions not made to the next meeting. Decisions made before a meeting becomes inquorate will not be invalidated by the later lack of a quorum.
- 3.4 Where a decision cannot wait for the next meeting provisions are included for [*special meetings*](#) and [*decisions via email*](#).

Participation and debate

- 3.5 The Chair will follow the agenda order but may, at their discretion, alter the order of items at any stage either before or during the meeting.
- 3.6 Throughout the meeting, attendees should:
- 3.6.1 indicate their desire to contribute by raising their hand to the Chair and wait to be asked, to avoid interrupting others. All comments and discussion should be directed through the Chair who will determine in which order attendees should speak;
 - 3.6.2 respect the role of the Chair in encouraging debate, summarising discussion, clarifying decisions made and further actions to be taken;
 - 3.6.3 be constructive and professional in the way they impart an opinion or information. Listen attentively and respectfully to others;
 - 3.6.4 maintain body language that demonstrates participation and engagement in the meeting;
 - 3.6.5 treat others fairly and consistently, even when there is disagreement and accept the diversity of opinions and views presented;
 - 3.6.6 not attempt to dominate the meeting for their own purpose or the purpose of a group, committee or organisation they are associated with;
 - 3.6.7 regard and welcome challenge as a test of the robustness of papers and arguments presented;
 - 3.6.8 not cause offence or take offence and avoid using heated, emotional and value loaded language and behaviour;
 - 3.6.9 stay focused on agenda items and refrain from private conversations with others (whether spoken or written) and the passing of notes;
 - 3.6.10 avoid reference to confidential debate during public meetings;
 - 3.6.11 seek professional guidance/clarification from the Chair or the Governance Team wherever there may be any concern about a particular course of action;
 - 3.6.12 keep mobile communications devices turned off (unless used for reading meeting papers); and
 - 3.6.13 not attend the meeting if under the influence of any drink or drugs that will impair performance and contribution.
- 3.7 It is not permitted to photograph, transmit, audio-record, or video-record proceedings any Council meetings without prior authorisation of the Chair. Any breach of this Standing Order may result in action taken by the Chair under [*SO2.22*](#).

- 3.8 Where a Council member disagrees with a recommendation or decision of a committee on which they serve, they may present their views provided any disagreement has been raised at the relevant committee meeting and notification has been given to the committee Chair and to the Chair in advance of the meeting to which the recommendation or decision is being reported.
- 3.9 The Chair will preserve the order of the meeting and ensure that all Council members have sufficient opportunity to express their views on matters under discussion. If in the opinion of the Chair, an attendee disregards any aspects of [SO3.6](#), the Chair will issue an oral warning. Persistent disregard of such a warning or further behaviour which in the opinion of the Chair is frustrating the meeting, may result in the Chair ordering the affected attendee to withdraw from the meeting or adjourning the meeting for such time as the Chair considers appropriate.

Conflicts of interest

- 3.10 Council members have a legal duty to act only in the best interests of the GOC and must not put themselves in any position where their duties as a Council member conflict (or may be perceived to conflict) with any personal or financial interests.
- 3.11 Council members have a personal responsibility to review business, operational and forward plans to identify any situations in which their interests may conflict with their duties, and advise the Governance Team of any potential conflicts which have not already been identified, to enable a decision to be made on how the interest will be managed.
- 3.12 All Council members will be invited to declare any interests they may have at the beginning of each meeting. If Council members believe that they have a conflict as discussion progresses they should indicate this to the Chair immediately in order for a decision to be made as to whether the attendee needs to withdraw from the discussion and/or decision.
- 3.13 Where an actual or perceived conflict of interest arises either before or during a meeting, the Chair will determine (in accordance with the [Management of Interests policy](#)) whether the attendee needs to withdraw from the discussion and/or decision.

Decision making and voting

- 3.14 A Council member can only abstain from participating in a decision due to a conflict of interest. Council members cannot participate in decision-making if they are not present at the meeting at which the decision is made.
- 3.15 No other member nor employee, advisor or contractor can participate in decision making at a Council meeting.
- 3.16 The intention of discussion is to reach agreement by [consensus](#). If a general consensus emerges, the Chair may restrict discussion and seek agreement of the recommendation(s). All consensus decisions will be confirmed orally by the Chair and minuted.

- 3.17 Before moving on to the next item, the Chair will summarise the discussion, confirm the decision which has been made and state any additional actions that are required to be undertaken.
- 3.18 Council members have a duty to support all Council decisions made on the basis of [collective responsibility](#).
- 3.19 In the rare cases that consensus cannot be reached, a [vote](#) may be taken.
- 3.20 A vote can be ordered by the Chair:
- 3.20.1 when the Chair determines that no clear consensus has emerged;
 - 3.20.2 when a Council member is present and requests a vote to be taken which is supported by at least one other Council member; or
 - 3.20.3 in any other circumstance where the Chair considers that a vote should be taken.
- 3.21 Voting will be by show of hands. Each Council member has one vote (including the Chair). If an equality of votes occurs then there shall be further debate and a second vote taken. If an equality of votes remains after the second vote, the Chair shall have a second and casting vote.
- 3.22 The minutes of the meeting will record the numerical outcome of the vote identifying the numbers for and against the decision and any abstentions. Any Council member may request their vote be recorded in the minutes.

Decisions via email (inc. process for ratification)

- 3.23 In the event that a decision is required outside of a meeting and it has not been possible to convene a special meeting, decisions can be made via email.
- 3.24 In such circumstances:
- 3.24.1 agreement to take a decision via email must first be obtained in [writing](#) from the Chair;
 - 3.24.2 should be led by the Governance Team to ensure appropriate processes are followed;
 - 3.24.3 all members must be sent sufficient information to make an informed decision;
 - 3.24.4 all members able to participate in the decision (i.e. not conflicted) must respond in writing to signal agreement with the decision;
 - 3.24.5 a decision is only made when all members able to participate in the decision have agreed;
 - 3.24.6 where any member does not agree to the decision, it will be discussed at the next meeting; and
 - 3.24.7 an audit trail of the information sent, recommendation, the member responses and agreed decision will be maintained by the Governance team.
- 3.25 All email decisions must be ratified at the next meeting and recorded in the minutes.

Delegating authority

- 3.26 Council may delegate authority to the Chief Executive and Registrar, any Council, committee member or employee or named committee to make a decision or take further action as directed by Council. The limits of the delegation will be recorded in the Council minutes.
- 3.27 Council may not delegate authority for any [matters reserved solely for Council as specified in the Act](#).

Disapplication or suspension of Standing Orders and the discretion of the Chair

- 3.28 Except where this would contravene any statutory provision, a Standing Order may be disappplied or suspended by a decision of Council members at a meeting by at least two thirds of those present and voting. A Standing Order may not be disappplied or suspended as a result of a [decision taken via email](#). Any disapplication or suspension of a Standing Order will be recorded in the Council minutes, along with the time frame that the disapplication and suspension will last for and the reasons. This must be reported to the next meeting of the [Audit and Risk Assurance Committee \(ARC\)](#).
- 3.29 Except as provided for by these Standing Orders, procedure for the conduct of business shall be within the discretion of the Chair.

PART 4: Committees

- 4.1 Council must ensure that any committees ([statutory](#) and [non-statutory](#)) are properly constituted in accordance with the [Rules](#) or other relevant legislation.
- 4.2 Council may establish additional committees to which it can delegate duties as permissible in the Act. Council will agree [appropriate governance arrangements](#) via terms of reference for all committees.
- 4.3 All [committee members](#) have a duty to attend meetings in person and contribute effectively until the Chair closes the meeting. Only in exceptional circumstances (with the agreement of the committee Chair) will a committee member be permitted to participate in a committee meeting via [electronic means](#). This SO does not apply to the Fitness to Practise committee.
- 4.4 In the event a committee needs to make a decision outside of a meeting, attempts should be made to convene a quorate additional committee meeting. Where this is not possible decisions can be made via email only if an item of business would expose the GOC to an unacceptable level of risk or an inability to discharge its statutory functions in a timely manner if a decision is not taken until the next scheduled committee meeting. This SO does not apply to the Fitness to Practise committee.
- 4.5 In such circumstances [SO3.24](#) will be followed.
- 4.6 All email decisions must be ratified at the next meeting and recorded in the minutes.

- 4.7 The Chair may attend and participate in discussion at any meeting of a committee (with the exception of the Fitness to Practise committee). The Chair is not permitted to participate in decision making and will not form part of the quorum (unless they are a member of the committee).

PART 5: Working Groups

- 5.1 From time to time it may be necessary to establish [Working Groups](#) (for example to give advice on specific issues). Where Council chooses to establish Working Groups, Council will determine the [appropriate governance arrangements](#) or will delegate authority to the Chief Executive and Registrar or a Director.
- 5.2 Alternatively, Council acknowledges that its committees (statutory and non-statutory), the Chief Executive and Registrar or Directors may wish to establish Working Groups. Council delegates authority to the Chief Executive and Registrar or lead Director to determine appropriate governance arrangements and ensure that the composition adequately reflects the necessary skills and experience required. Any establishment or dissolution of such Working Groups should be notified to Council for information.
- 5.3 All members of Working Groups will also be subject to [confidentiality and management of interest requirements](#).
- 5.4 Working Groups (whether established by Council or not) have no decision-making authority.
- 5.5 The Chair of Council may attend and participate in discussion at any meeting of a Working Group.

PART 6: Insurance provision

- 6.1 Council will ensure that it has in place sufficient insurance arrangements which mitigates against certain risks.
